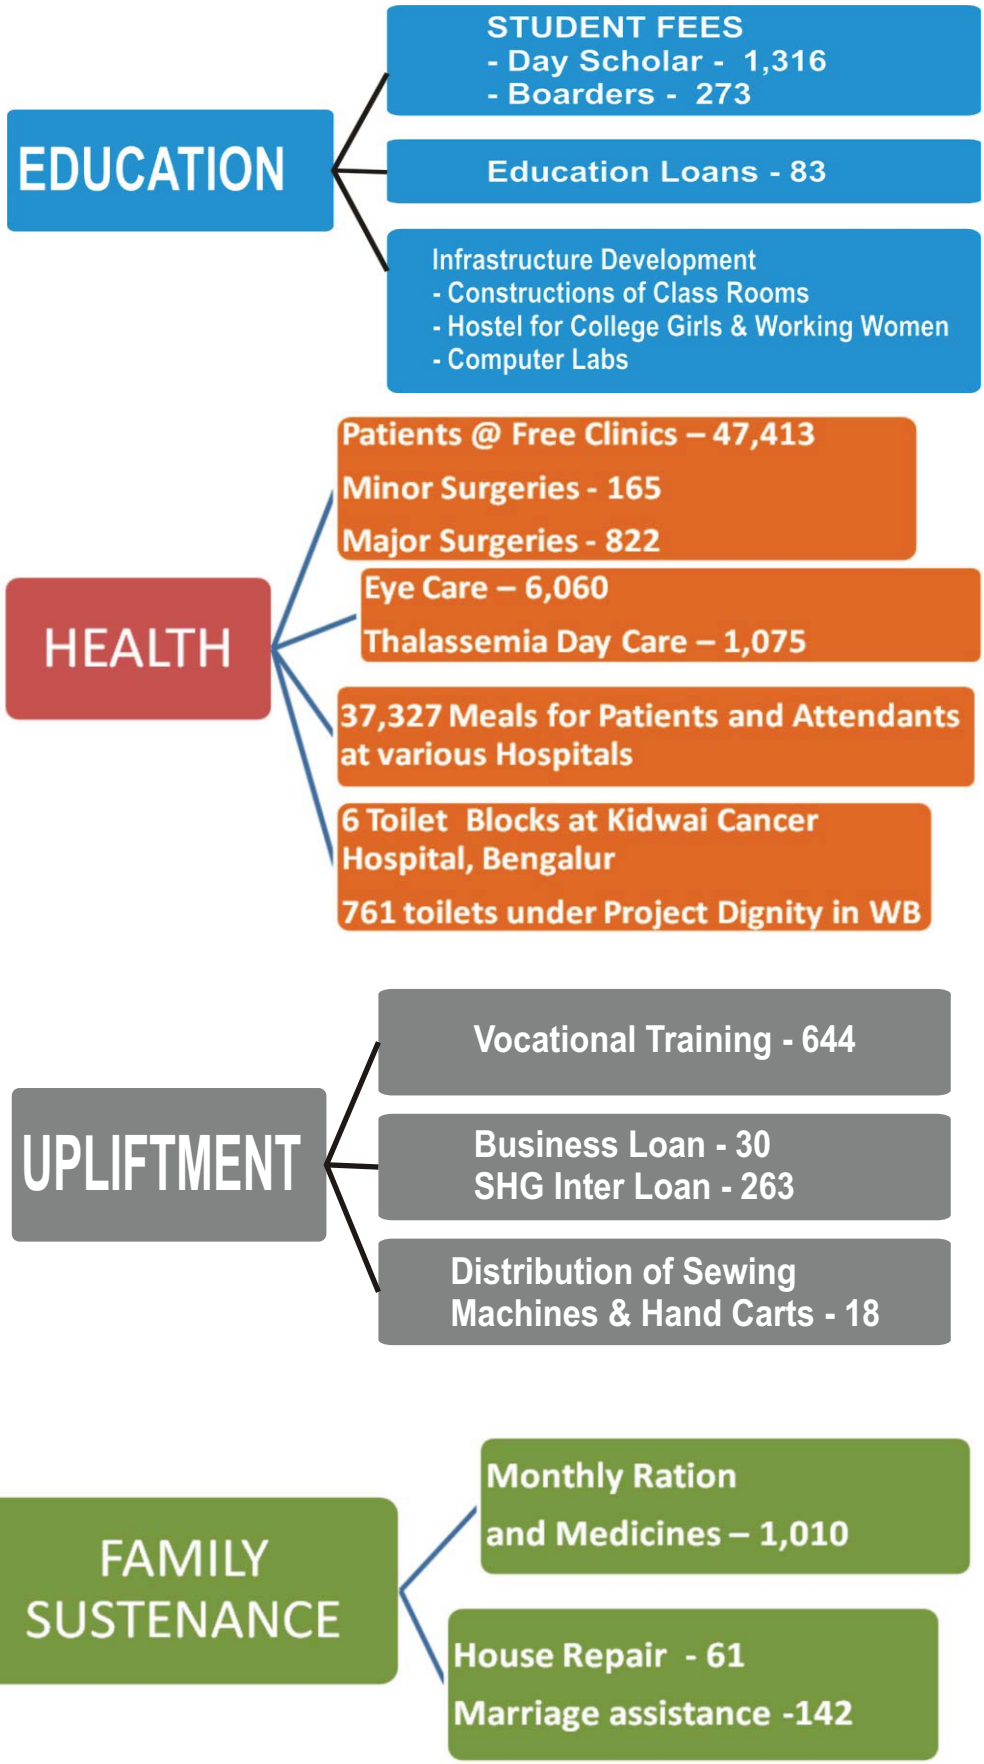
ANNUAL REPORT 2016-17

SUMMARY OF ACTIVITIES 2016-17



GENESIS of JSSF, BENGALURU

Dada Chellaram Kripalani

Service to the poor and needy is part of our ancient civilization. Dada Chellaramji Kripalani had chosen the path of service as a true follower of this philosophy since long. Dada together with Smt Ashadevi, his life companion is the force behind all our activities.

Dada a true Karma Yogi registered Jai Shivshakti Trust was registered in the year 2007 with Sri Jag Mohanji Maheshwari and Sri Manoharji Chatlani which was later incorporated into Jai Shivshakti Health and Educational Foundation (JSSF)- a not for profit company in the year 2011.

At Jai Shivshakti we focus on making the dependent families to stand on their own feet with dignity by providing Education and Vocational Training. Every year we are expanding by our association with many new initiatives and new field organizations.

During the year one of our focus areas was street children and to provide them support in education and creating necessary shelter. Left to themselves these children would have ended up taking drugs and brutalized by antisocial elements of the urban society. It is our collective responsibility to help such unfortunate children with love, care and education. This is new learning curve for us which we want to expand in coming years. Anna dana is considered holiest next to Vidya dana. This year we started providing meals to patients and attendants in many hospitals through our associate organisations

Over the years the seed sown by revered Dadaji has grown into big tree supporting more than 26 organisations and educational institutions all over the country impacting the lives of thousands of families through service.

Education New Initiatives

SUPPORT TO STREET CHILDREN

During the year one of our focus areas was street children and to provide them support in education and creating necessary shelter. JSSF joined hands with 2 such organisations in Bengaluru Sparsha Trust and Surabhi Foundation Trust to provide opportunity to deprived children such as orphans, rag-pickers, street children, and single parents, neglected and economically poor children. The following Facilities provided to the Children

- Shelter, Food, Clothing and Health Care.
- Academic & cultural education and social awareness.
- Awareness on health and hygiene.
- Life skill programmes and environmental awareness.

SPARSHA TRUST, BENGALURU

Sparsha Trust is a registered, charitable trust started in the year 2005. It is committed for the identification, rescue and rehabilitation of children from 6 to 18 years old. Currently it has 6 shelter homes with 189 resident children and 5 day care centres taking care of 230 children. In the past seven years, Sparsha Trust has been able to mainstream **more than 2500 children** to school and reintegrate them with their families

JSSF provided 2 dormitories accommodates 50 children in the newly developed NisargaGrama at Hesaraghatta village

Contact: 080-23377550 Email: sparshmarg2020@gmail.com www.sparsha.org

Surabhi Foundation Trust

Surabhi Foundation Trust is an NGO established in August 2005, under Trust Act. The first shelter project started in 2008 and Presently Trust is sheltering 240 children in 6 homes in and around Bangalore. The project has rescued 940 children and rehabilitated them into mainstream of society.

JSSF support 2 hostels one for boys and another one for girls

- Girls Home -Surabhi Tirtha Ashrama at J P Nagar for 20 girls
- Boys Home Jai Shivshakti Surabhi Boys Home at Byalkere, Magadi Taluk for 19 boys.

OUR PARTNERS IN SERVICE

BHARATIYA GRAMEENA MAHILA SANGH (BGMS), BENGALURU founded in 1955, is a non-political and non-sectarian national organization. The goal of BGMS is the welfare, uplift and empowerment of women, children, and the aged and partially impaired mainly from slum colonies and villages.

Most **children** at BGMS are sent away to the Sangh by their families because of financial issues, lack of proper education, or family problems. The education available in the villages are not sufficient and parents sent their children to BGMS in order to receive a better education.

Along with education the children are provided with medical care, food and clothing with parental love. In 2009 BGMS started an English-medium school under the umbrella of Shishu Kunj, London. The school, known as Shishukunj Vidyalaya, now has more than 250 students and the kids are divided into grades 1 through 10 and by passing year achieving academic excellence as well. Some of students has taken admission in ITI and Science courses after completing Class XII examinations.

Destitute women

The short stay home for destitute women is for women who have been victimized and traumatized by their husbands, in-laws or society and find themselves without any home. In BGMS, they are provided with vocational training and jobs to support themselves.

JSSF has joined hands with Rotary Bangalore Indiranagar and BGMS in the year 2016 to create necessary infrastructure which is under construction and will be completed by October 2017. The following facilities will be provided through the project

SHORT STAY HOME FOR WOMEN -35 BEDS

Status : Completed and occupied

GIRLS & BOYS HOSTEL - 35 BEDS IN EACH BLOCK

Status : Completed and occupied

HOME FOR SENIOR CITIZENS (WOMEN)

Status : Under Construction and will be ready by July,2017

VOCATIONAL TRAINING CENTRE

Status : Planned for 2017-18

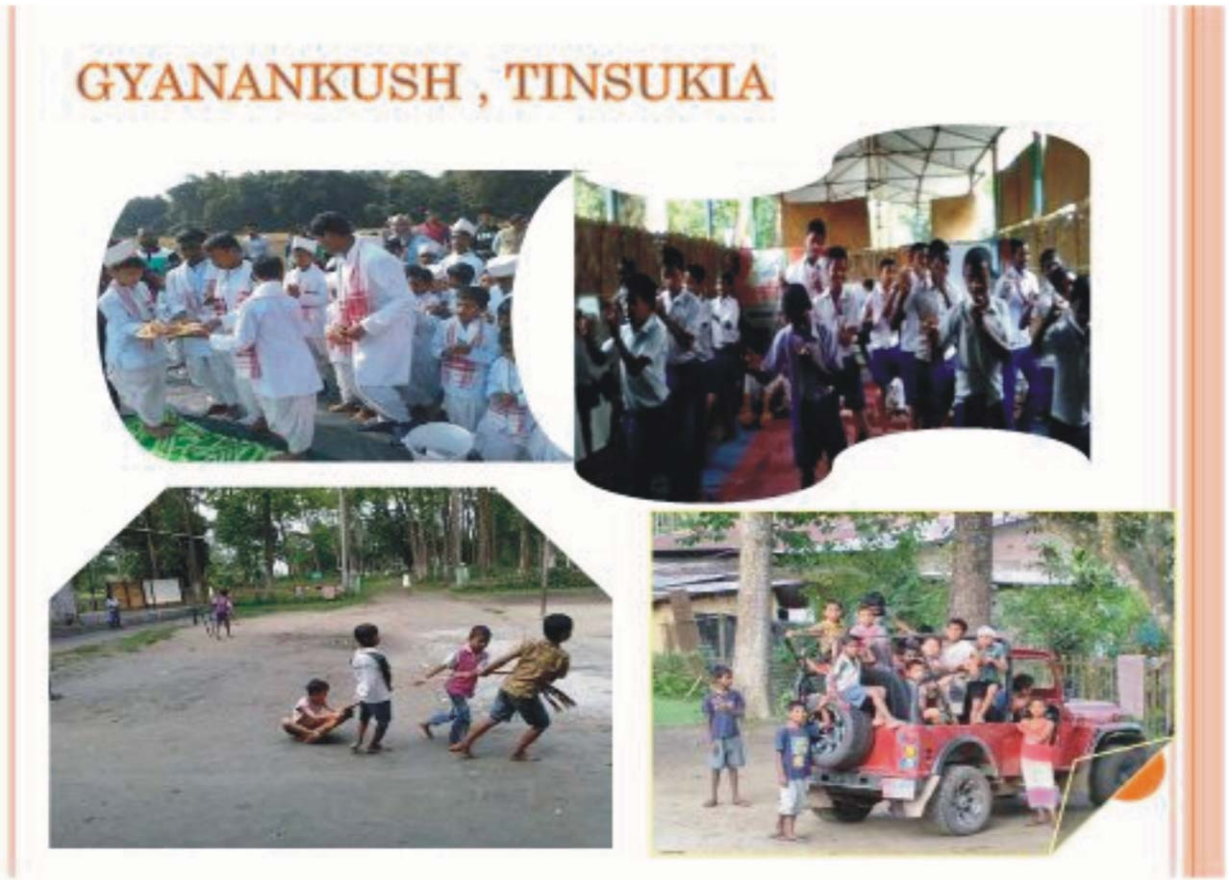
Education New Initiatives

GYANANKUSH , TINSUKIA
RESIDENTIAL SCHOOL FOR NEGLECTED AND NEEDY CHILDREN IN ASSAM

Purvottar Vikas Parishad, Tinsukia is running a residential school for destitute for the last 2 years. Presently they are running the institute in a temporary structure provided by a well-wisher. Within a short time the school provided quality education to children and now they have 43 students in this residential school.

To accommodate more such children from rural villages it was planned to have own campus in the newly purchased 2 acre land with the support of well-wishers of Tinsukia.

JSSF extended Educational support by adopting students since the year 2015 and in 2017 the construction of School and Hostel buildings in the newly acquired plot for 200 children has begun.



Education New Initiatives

ADARSH VIDYA MANDIR, JAHAJPUR, RAJASTHAN

Jahajpur is a most backward rural Tehsil in Bhilwarha district of Rajasthan with a 2 lakh population as per the Census 2011. Literacy rate of Jahazpur Tehsil is 60.26%. The male literacy rate is 64.47% and the female literacy rate is 38.06. Schedule Tribe (ST) constitutes 34.9% while Schedule Caste (SC) constitutes 18.2% of total population. No industry exists in entire Tehsil. Almost all are engaged either serving in Army or as daily labourers.

Adarsh Vidya Mandir was established in the year 2003 in a rented building in the town. In 2013 the Student strength was meager 250. A New school management committee was formed to take the education to the needy village population. Efforts were made to acquire own land and build classrooms.

It was decided to provide school buses to reach out to the villages due to which more than 450 students from 49 villages taken admission in the school and study here. With all these efforts student strength reached 788 during 2016-17 session. Visible improvement in terms of physical infrastructure as well as quality education is noticed by one and all.

JSSF extended its support in 2016 to provide necessary infrastructure and made the following contributions.

- **6 class rooms (each of 25X20 ft size) added during the academic year inaugurated February 2017 by Sri JM Maheshwariji**
- **Jai Shivshakti Computer lab with 20 computers for students**
- **Power back up for 10 kv Solar plant which will help entire campus to run on solar power**

OUR PARTNERS IN SERVICE

SRI SARADA ASHRAM
Ulundurpet, Tamil Nadu, India

Sri Sarada Ashram was established in the year 1989 with the core objectives of promoting & developing the poor and backward villages by means of quality education, affordable Health Care, Cultural and Socio-economic Development activities, Agricultural Development and providing much needy and timely relief during natural disasters.

Located at Ulundurpet, on the Chennai-Trichy Highway in Tamilnadu, the Ashram is run by 45 Sanyasin sisters and serves the 490 remotest villages in and around the Ashram. Thousands of students and rural women are given schooling, vocational training and job oriented career coaching annually.

Disaster centre is maintained by the Ashram and helps the villagers in time of Tsunami and Floods in Cuddallore district.

JSSF proudly associated with Sarada Ashram and serving through this amazing organization in Educaiton and Health sector for the last 5 years. It started with building One College Block in the year 2012 followed by constructing Senior Citizens Home in the campus. It was awarded with the "BEST SERVICE AWARD" by State Govt.of Tamilnadu, for Vruddha Mahila Kendra (Old Age Home for Women) for its exceptional service to the village aged women.

JSSF now constructing Girls Hostel which will accommodate 200 college girls and supports all the expenditure of Sarada Charitable Hospital.

HAVE A HEART FOUNDATION
touching hearts

HAVE A HEART FOUNDATION, BENGALURU

Successful Decade in the service of Heart patients

Manohar Chatlani along with Komal Melwani, Ram Melwani & Harish Mirpuri started with a humble beginning in the year 2001 through an outpatient clinical service called Seva Free Clinic, which catered to the poor and needy with free Doctor consultations, Nursing, Counselling and medicines. The centre also pioneered treatment for reduction / preventing infection of HIV from pregnant mother to child. This attracted highest number of people accessing services for HIV in the state.

Later the focus was moved on supporting heart cases with initial tie- up with Narayana Hrudayalaya, Bengaluru. With the blessing of Dada Chellaramji HAHF expanded many folds in these 10 years. Now, HAHF has tie up with more than 13 hospitals in 5 cities across the country.

***1792** Heart surgeries were conducted during the year 2016-17 taking total surgeries conducted so far to **9858** in one decade.*

Manohar D Chatlani, The Founder and Managing Trustee of Have A Heart Foundation was awarded with The General K.S. Thimayya Medal, 2015

OUR PARTNERS IN SERVICE

SANKALP INDIA FOUNDATION, BENGALURU

In the era of self-centred thinking, when the sense of responsibility towards the society and the country is dying out, Sankalp India Foundation is a Youth Organization that begs to differ. Working for the cause of Voluntary Blood Donation, Sankalp India Foundation with the aim of not letting people suffers due to shortage of blood and for the cause of relief in the immediate aftermath of disasters.

Sankalp seeks to achieve 100% voluntary blood donation in Karnataka through its **Rakta Kranti** project. This is done by organizing efficient and well-managed blood donation drives with standards that are comparable to the best in the world.

Program for Thalassemia Cure made JSSF to join hands with Sankalp since 2015. Sankalp provide high quality patient focused curative option to children suffering from Thalassemia irrespective of financial background with focus on technology and transparency. Sankalp Program for Thalassemia Cure offers Bone Marrow Transplant - the permanent curative option to the children suffering from Thalassemia. The organisation has brought together experts who have vast experience with BMT for Thalassemia, and health care set-ups which are willing to offer transplants on a not-for profit basis.

The cost is nearly a third of what it is in commercial setups and also includes pre-BMT and post-BMT treatment and care. Transplants are currently offered at 3 cities

- Bangalore-Sankalp-People Tree Centre for Pediatric BMT
- Mumbai- Sankalp- Kokilaben Dhirubhai Ambani Hospital Program for Pediatric BMT
- Ahmedabad-CIMS Centre for Pediatric BMT

A total of 32 transplants were done during the year and overall survival rate was 91%. Protocols were regularly reviewed and updated to allow for more condition specific therapy to be given and improve outcomes.

Besides, Sankalp runs 3 **Thalassemia Day Care Centres**.

JSSF provides food and medicines to more than 1000 patients in these centres.

- Indira Gandhi Institute of Child Health, Bengaluru.
- Project Samraksha at RashtrotthanaParishat, Bengaluru.
- Jai Shivshakti Center for Thalassemia Management at KLES Hospital, Belgaum

It is therefore most affordable and quality conscious BMT program in the country.

OUR PARTNERS IN SERVICE

Vittala International Institute of Ophthalmology

Sri Keshava Trust (SKT) is a Bangalore based, public charitable trust, established by Dr.K.Ramachandra Murthy in a small way in 1988. In 1998 the Government of Karnataka granted land in the new area of Banashankari IIIrd stage. Dr. Murthy was a visionary who dedicated his life to the cause built a state of the art tertiary Eye care ophthalmic hospital called **Vittala International Institute of Ophthalmology (VIIO)**. Nayana mobile van, Retinopathy of Prematurity tele-screening model, Visual rehabilitation Projects have been developed in this institute, some of which have been adopted by government and international agencies.

The driving spirit of our organization is to ensure that "**No one shall go blind for want of money or lack of care**".

Vittala Jai Shivashakti College of Optometry

In continuation of its effort to provide qualified optometrists in the year 2015 VIIO established ***Vittala Jai Shivashakti College of Optometry***

It is aimed at creating new class of ophthalmic professionals. The course is recognized and affiliated to RGUHS, Government of Karnataka and by Paramedical Board, Department of Medical Education, Karnataka Government. The programme gives wide exposure to Human Anatomy, Biochemistry and Physiology with more emphasis on the ophthalmological aspects.

The students at VIIO have the added advantage of getting exposure to Outreach activities / Community Optometry.

OUR PARTNERS IN SERVICE

DOSTI MUMBAI

Dosti Project was started by Sri H S Kundan in the year 1997 through Haribhai Harkishindas Trust came a long way in empowering the slum dwellers in Worli. Since 2013 JSSF associated with its activities and now all the activities are supported by JSSF. Smt. Ujwala Waghmare, the project coordinator with 2 assistants run this organisation.

OBJECTIVE - Women and Child development in slum areas of Worli in south Mumbai. Dosti project aims to improve the socio economic condition of the families living in these areas through programmes for women, children, youth and adolescent girls.

ACTIVITIES

1. Self Help Groups: Currently there are 27 Self-Help Groups (SHG) of women with a total of 197 members affiliated to Dosti project. The Dosti project provides guidance to SHGs in their work. During the year 98 members' availed loans to provide for situations like medical emergency, paying fees for higher education, repairs of house etc.

2. Awareness and Counselling: Conduct awareness sessions on health, children development issues, education, violence against women etc. In any critical situation the group members are provided counselling by Dosti social workers.

3. Educational Sponsorship: The educational sponsorship programme is helping the families from low socio economic background and cannot afford admission in a private school to send their children to English medium school. At present there are 136 children on roll.

- They are provided with the Two uniforms, a school bag, note books, text books
- School van facility- transport from home to school and back
- Study classes in the community. Special coaching for weaker children
- Parents meetings every month & Regular home visits
- Dosti project helped two boys by paying their college fees

4. Assistance to needy families:

- **Ration -** The women were given Medical help & Ration worth Rs 500 each every month

5. Networking: Dosti project is part of various networks of organizations/ NGOs working on different issues

- **Rationing (PDS) KrutiSamiti**- This network is a nationwide network that Advocates proper implementation of Public Distribution System
- **Learning community-** It aims at addressing the issue of empowerment of adolescent girls who are on the edge of entering into adulthood and they have to play multiple roles in family and society, they need to be strong and confident
- **Right to Education Network AVEHI**- Aims to create awareness about Right to education act. The members share their experiences and information so that they can help children from the communities to get admission in nearby good schools
- **"YuvaKarva"network-** The problems discussed mainly focus on addictions, high cost for education, low wages, social rights, politics and youth.

OUR PARTNERS IN SERVICE

Jeev Sewa Sansthan, Bhopal

Jeev Sewa Sansthan (JSS), a registered charitable public Trust of Bhopal, Madhya Pradesh is known for its multifarious benevolent activities in the field of health and education. Established in 1994 under the patronage of the legendary Sant Hirdaram Sahibji.

The Trust coordinates, monitors and sponsors activities of varied nature which are executed by 25 different organizations. The Trust has the agenda of helping those who need support the most; the old, the infirm and children.

JSS has the support of large number of volunteers who have committed themselves to the cause of human welfare and are working day and night under the leadership of staunch disciple of Santji Rev. Siddh Bhauji in the most selfless manner to see that the dreams of Santji are fulfilled.

Medical Help (Since 1978)

The poor approach the doctors of their choice for examination and bring the prescription at the place designated by the Parishad. Then they are directed to the chemists designated by the Parishad for medicines for free. Diseases requiring operations/costly medicines are referred to the parent organization, Jeev Sewa Sansthan

Sewa Sadan Eye Hospital (SSEH) In 1984 the world's most infamous Bhopal Gas Tragedy occurred. Many died and who survived acquired various types of diseases, particularly those related to eyes. Paramhans Santji made an appeal to many philanthropists to aid for this noble cause, responding to which many people came forward and generously donated towards setting up Sewa Sadan Eye Hospital. Objective of the hospital is to provide total eye care at reasonable charges and free to the poor patients through free eye camps.

SSEH is the member of Eye Bank Association of India, Hyderabad since 1996 and has set up its own Eye Bank since then. It is registered with Directorate of Medical Education, Government of Madhya Pradesh under the Transplantation of Human Organs Act-1994. SSEH is providing vision to visually impaired patients through its well-equipped Eye Bank. The dedicated team of Corneal Surgeons conduct Keratoplasty (Cornea Transplantation) by receiving eye balls, corneas from various Eye Banks, Eye Donation Centers & through local donors.

JSSF supports Eye and Urology Surgeries at this hospital.

OUR PARTNERS IN SERVICE

NAV YUVAK PARISHAD
...A RAY OF HOPE

Nava Yuvak Parishad started by a A few youths were inspired to contribute from their pocket money to bear the educational expenses of poor students whose parents were not able to continue their studies due to poverty society registered under MP Societies Act and being run by volunteers **Paramhans Santji** always used to say, I wish, no child should remain uneducated due to poverty. So far more than 10,000 students adopted under **Unique Child Adoption Scheme.** Once a child is adopted, he/she is provided free education at least upto Std. XII and, in deserving cases, up to college level. Every year around 2000 students remain under adoption scheme. Students are provided free books, uniforms and other necessary accessories. Free Coaching to the needy students conducted in the premises.

Neetu Mahtani Memorial Library (Since 1998) - A separate reading hall has been earmarked for the students of the Parishad.

Bhagwan Kala Kendra (Since 1994) - The full fledged vocational training centre, run by the Parishad, provides vocational training so that students learn some vocation to stand on their own feet and lead the life respectfully. Till date, 24000 students have benefited.

Swami Vivekananda Career Academy (Since 2001) -Academy is to enable even the poor & middle income group, meritorious students to pursue their studies with quality coaching. The takes up coaching in Medical Science, Engineering, Govt. Administration, Information Technology, Executives' jobs in Banks, Railways,Staff Service Selection & Employees Provident Fund Organization etc

Unique Water Supply: Project taken shape due to scarcity of potable water in and around Bairaghad and Gandhinagar areas. More than 100 deep borewells drilled andOver-head tanks constructed in villages to avoid disruptions due to irregular supply of Electricity. Surrounding 50 villages are covered and 3 lac gallons per day supplied through 1600 tap connections connected through pipelines whose total length would be around 30 kms. **Over 4 lakhs population being benefitted.**

OUR PARTNERS IN SERVICE

CHINMAYA ORGANIZATION FOR RURAL DEVELOPMENT
HIMACHAL PRADESH

With three decades of experience in rural development, CORD is focused on building, nurturing, and strengthening Community Based Organizations (CBOs) of women, men, youth, adolescent girls and children in this initial year. The different groups address all the ages, and include MahilaMandals, Men and Farmer Club, Youth Groups, YuvatiSamuh and Balvihar. These CBOs works as an agent of change in the community with the MahilaMandal as leading CBOs.

The community has initiated changes by addressing multifaceted issues through community participation and convergence. It requires where a minimum of 5-6 of years of intensive efforts are required within rural communities. With help from the **JSSF, Bangalore,** two Gram Panchayats of Chamba Districts- Gurar and Boundari in Mehla and Tissa Block respectively will be developed as a model Panchayat in the next 5 years.

OUR PARTNERS IN SERVICE

Trust for Retailers & Retail Associates of India

PANKH Wings of Destiny is an initiative by TRRAIN and Youth 4 Jobs Foundation (Y4J). The initiative aims to train people with disabilities (PwD) and provide them employment opportunities in retail industry. The initiative thus aims to create sustainable livelihoods for PwD and also promote inclusive growth in retail sector

The training program provides the complete spectrum skills in a very interactive and easy-to-learn manner with focus on three key skills - Life Skills, English Language Skills and Retail Specific Skills. The youths are also provided 2 days of exposure visits to Malls covering various formats of retail QSR, Hypermarket, Supermarket, Apparel store, Luxury store etc. Post the 45 day classroom training sessions, the youths are provided 10-15 days of on the job training.

On the completion of training program, retail organizations are invited to evaluate the PwD youths for placements. Post the placement, the Pankh team provides support to retailers to match the roles vs. disabilities, help the induction process and also conduct Sensitization Workshop for the retailer staff. The counsellor continues to be in touch with the retailer as well as the youths to ensure no gaps in understanding.

JSSF joined hands with TRRAIN since 2015 and this year alone supported training & placement of 493 people with disabilities

OUR PARTNERS IN SERVICE

TRIBAL HEALTH INITIATIVE

Tribal Health Initiative was started in 1992 by Dr. Regi George and Dr. Lalitha Regi. The Sittilingi valley and the surrounding Kalvarayan and Sitteri Hills are inhabited primarily by tribal people having fifty thousand populations. The area was remote and poorly served by public transport. Buses at that time would run four times a day but even getting to a bus could involve a walk across fields lasting several hours. It started with a small Out Patient Unit in a thatched hut. In 1996, THI started training local tribal girls as Health Workers

Today, Tribal Health Initiative runs a full-fledged 30-bed primary care hospital and has extended its services to conduct education programmes and outreach clinics in the 33 villages situated in the area. The impact has been dramatic.

- The initiatives have brought down infant mortality from **147/1000** in 1993 to **20/1000**.
- **No mothers dying in childbirth** for the past 10 years in a row.
- Malnourishment in children has come down by about 70 per cent
- 100 per cent completion of TB treatment in the
- Ambulance service for the 21 villages

FARMING INITIATIVE

People from the local tribal communities have lived by rain-fed subsistence farming and the produce of their forests for a very long time. Nutrition and livelihood are two factors that contribute significantly to an individual's health. Thus THI expanded its programs to include a farming initiative. THI began teaching the farmers various organic techniques and helped in formation **of SOFA (Sittilingi Organic Farmers Association)**, an association of farmers. Currently, there about 200 farmers who are registered, of whom, half have got 'organic certification' from the Govt. of Tamil Nadu.

- Creation of **SVAD brand** (Sittilingi Valley Agricultural Development), under which 25 organic products are sold in various cities in south India

- Formation of Women's Self-Help Groups (SHGs), which perform value-addition processing, increasing the profit margin for specific products
- Creation of Seed Banks, ensuring the survival of various minor millets and other traditional seeds, which were at risk of extinction due to the increased demand for rice and decreased demand for other similar sources

WOMEN ENTREPREUNERSHIP

JSSF joined hands with SOFA to assist women groups in the year 2016.

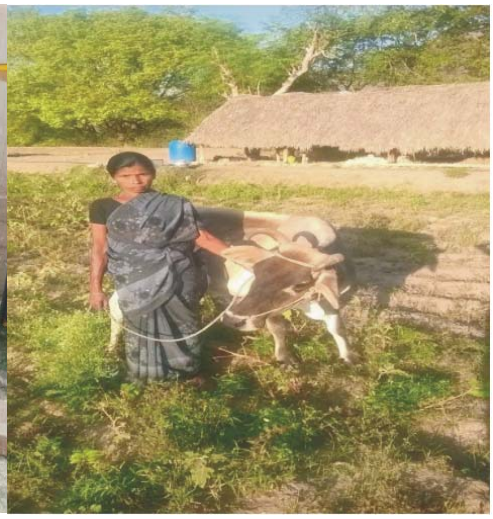
Activities

1. To start with *11 members of SHG provided with cows on loan. The cost of a cow is approximately Rs.25,000 to 30,000. Repayment amount will be ploughed back to provide cows to new groups*

2. Tamarind Decorticator and Cake Making Machine was provided on loan to 2 lady entrepreneurs

- More than 350 farmers associated to Sittilingi Organic Farmers Association (SOFA) having their own Tamarind trees produce more than 20 tons of tamarind. This initiative has helped all the farmers to get better price for their produce at local level

- Also provide seasonal jobs to ladies from 2 SHGs.



JSSF will support more activities in 2017-18 such as Goat rearing, value addition to agricultural products.

OM NAMAH SEWA TRUST, AHMEDABAD

This Trust was formed in 2016 at Kubernagar, Ahmedabad looking at the poverty and socio economic status of the residents. Activities like Educational Support for students, Vocational Training with employment for the average students with the help of Unnati, Medical Health check-up and distribution of medicines through appointed Dr. Naresh Hemthani on a monthly basis, Distribution of Ration and Fruits to the old and needy widow families, help for Marriage and House Repair. A unique Meal Distribution sewa has been also started.

Meals Sewa

Introduced serving patients and attendants in Govt Civil Hospital 3 times a week. 200 meals are served per day. Food is prepared in the ONST premises by the Ration beneficiaries thereby giving the ladies a livelihood.

Unnati Centre, Ahmedabad

Vocational training for the residents of Kubernagar, has been a great help as this not only gives them a 50 days life skilled training but also gives them employment. Courses like Admin Assistant, Basic Computers, Tally etc., are taught to the students who have either dropped out from High School or are not earning enough for a livelihood. The first 2 batches are completed successfully with 26 beneficiaries already placed in employed. The 3rd batch with a booming admission in progress.

COMPUTER CENTRE, BARAMULLA

Unnati, a Bengaluru based training Institute for Skill and technical training proposed to have a computer centre in Baramulla, Kashmir. The Army has arranged the infra in the centre and operational costs will be met by Unnati. **JSSF** provided necessary computers with accessories. This will be a great help to the Nation building effort as this will definitely help in training **300 youth every year** from J&K.

TOILET CONSTRUCTION

PROJECT DIGNITY

ROTARY CALCUTTA MAHANAGAR with the support from JSSF had taken the task of providing **1000** toilets in 4 districts of West Bengal. During the year **716 toilets** were constructed for poor in these districts.

TOILET BLOCK AT KIDWAI CANCER HOSPITAL, BENGALUR

Kidwai Institute of Oncology, Bengaluru is one of prime hospital for the treatment of Cancer. Hence drawing huge number of poor patients from all over the country. There was lack of proper toilet facilities in the premises.

JSSF constructed Six Toilet Block 2 in each floor for Ladies and Gents separately for the convenience of patients and their attendants.

PLANS FOR 2017-18

Education

- **Sun Bird, Majuli** Construction of Girls hostel, Kitchen and dining hall for 100 students
- **Sewa Bharti, Dabra (MP)** Residential School for tribals Adoption of 50 students
- **VidyaBharti in Siliguri (West Bengal)** Construction of one floor consisting 8 Class Rooms

Health

- Health Camps for needy School Children will be conducted for about 1000 students. Along with General Checkup Heart (wherever required ECG and Echo test), Dental and Eye checkups
- If any ailment diagnosed necessary treatment including surgeries will be facilitated.
- Free Dialysis will be provided for poor patients @ KMYF D.R Ranka Dialysis Center, Jayanagar, Bangalore
- Scoliosis (Spine) -40 Surgeries will be conducted @ Mahaveer Jain Hospital, Bengaluru

Bhumi Pujan for Home for Senior citizens at BHOPAL and Home for Senior citizens (women) at AJMER performed. One floor of 9 apartments in Bhopal and 14 apartments in Ajmer will be constructed in 2017-18
